Trooper Layoffs Averted

April 6, 2007

Due to an agreement negotiated just this morning between the Michigan State Police Troopers Association and the State Budget Office, the layoff of 29 Michigan State Police (MSP) troopers scheduled for this Sunday has been delayed until June 3, 2007.

"We are pleased to hear that these troopers will remain on the payroll for at least two more months," stated Col. Peter C. Munoz, director of the MSP. "We remain optimistic that a long-term solution can be found to retain these employees beyond this period."

Effective immediately, these troopers will be placed back into their respective post schedules with no interruption to their employment status.
